

A message the Virgin Mary gave to Valentine Nyiramukiza to share with all those who pray, all those who believe, all who act unconcerned. A message to pray for the Church, for the country leaders and for the citizens. It was given on 03/11/2025 at 4.45 am

THE VIRGIN MARY:

Nyiramukiza My beloved child,
May Jesus Christ be praised.

VALENTINE:

Yes Mother,
May He be praised forever and by all.

THE VIRGIN MARY:

I greet you again with that greeting, because there are so many who fight against it, wishing for that Name and that greeting to completely vanish, yet it is impossible.

I mean the non-believers and atheists who wish to enthrone the gods they consecrated themselves to. Here I am again giving a message through you to warn people so that they stop all their pretences but instead, pray fervently, with eagerness and from the heart as the way I see things, the hard times are fast approaching you and from all corners.

VALENTINE:

Yes, thank You very much Mother.

I am here to do Your will. Send me where You want and to whom You want, as I am Your instrument and that of those of the whole world.

Mother, how can we pray more? Are we currently praying in the wrong way? Please advise us on what to do so that we can pray more. We recite the Divine Mercy Chaplet and the daily chaplet during the day. In the evening, we recite the Holy Rosary and the Chaplet of the Seven Sorrows that You reminded us of, as it had been forgotten, and some other prayers. What else shall we add Mother?

THE VIRGIN MARY:

My children I love you.
My children I love you.
My children I love you.

My children, I greet you all, saying:

MAY JESUS CHRIST BE PRAISED, MY CHILDREN!

This greeting I am using to greet you with is to remind you, so that you do not forget about it when using your other greetings, My children.

My beloved child, listen carefully to what I am coming to tell you and listen to all you have asked Me. Listen to Me well, My beloved child, so that I respond to what you asked Me, and you did not understand well.

It is true you pray and you help many, you do not pray in a wrong manner as you chase the enemy, satan away on a daily basis, and you fight against so many bad things that are threatening people and the world; that is why you are persecuted and fought against.

And you, Our last born, are hunted down and persecuted, insulted, and lies are spread about you. They try to make people dislike you, they invent crimes you committed, and those who pray with you, or anyone who would tell the truth they saw or heard of, pay the consequences for that.

What you could add, is to pray with hope, sacrifice, harmony amongst yourselves, in other words, you could add more efforts in working towards the same goal.

My beloved children, I come to speak with you, listen to Me! Do not become arrogant and be quiet, ceasing to pray, to do Adoration, and stopping telling the truth just because you have those who fear you, who persecute you.

I appreciate the courage you have when you gather in prayer, praying for all people, seeking peace in people's hearts, seeking peace for the whole world even if it is not easy for you. That is why I love you.

You pray interceding for those who do not love you, those who go against you, those who persecute you, in order for them to change their ways. That is the true prayer which involves actions because interceding for others is an important act, that only few are able to do!

You gather in Adoration yet you are not in a same place, that makes the people go against you as you rattle them a lot; I mean those people who waste their time and energy, planning and plotting against us but amount to nothing!

My beloved child, I am not coming to you with anything new to tell you but to give you a message to those who pray and to all those I mentioned when I started talking to you.

I wanted to tell you this: Go back to the message I gave you, go through it all again as I gave it you, meditate well on it, understanding each section that include what you are requested to do and what you are to pray for.

Pray again for all those people who are mentioned, all mentioned categories of those to pray for and the various key points to pray for.

I would like for you to prepare again a retreat prayer as it is needed during this hard time that threatens the world and its inhabitants.

I gave you that message in 2024, it contained what you need to pray for, what you need to atone for with the support of those you pray with, and all others who will follow and respect the instructions. I gave you that message on the 21/08/2024.

That is what brought Me, My beloved child.

I give you My Maternal Blessing,

In the Name of the Father, and of the Son, and of the Holy Spirit. Amen

Continue your prayers.

Good night My beloved child.

VALENTINE:

Thank You very much Mother,
Good night.
